

# Lake Cullerraine Foreshore Upgrade

1. Upgrade to existing rotunda by raising roof and addition of history signage
2. Entry with locally sourced and themed landscaping
3. Proposed wayfinding signage
4. Maintenance entry point and potential location for mobile stage
5. Event area. Existing hydrant to be relocated
6. A frame swing set including a toddler swing
7. Red gum log with slides
8. Boat themed play structure
9. Climbing nets attached to vertical timber posts to represent yabbie nets
10. Climbable timber cart or similar to represent historical pioneer life
11. Salvaged / donated windmill
12. Climbable timber tractor or similar surrounded by tractor tyres
13. Crusher dust path connecting rotunda and BBQ area
14. Large grassed area for informal games and other play
15. Upgrade to existing shelter with new BBQ facilities
16. Entry with locally sourced and themed landscaping
17. Extension to existing car park to create additional spaces
