Local Government Community Satisfaction Survey

From Thursday 15 August 2024 for a period of up to four weeks, your household may receive a phone call from an independent market research agency, National Field Services. They have been commissioned to conduct a community satisfaction survey on behalf of council. Similar surveys will be undertaken across other Victorian councils.

The survey is designed to assess the performance of the Mildura Rural City Council across a range of measures to identify potential improvements or more effective service delivery to residents. These interviews will be held quarterly with 600 interviews to be conducted among a representative sample of residents.

We appreciate you taking the time to assist us with your valuable feedback. Please Note – your personal details and individual responses are confidential. Only the overall results are shared with Mildura Rural City Council. If you have any questions, please contact us on 5018 8100.
