Have your say on Draft Road Management Plan

Mildura Rural City Council is reviewing its Road Management Plan.

Our roadways are a vital part of our daily life, but not all roads require the same level of service to meet community needs. The Road Management Plan sets out the maintenance schedule for our municipal roads, including the system used to inspect, maintain and repair public roads.

Through careful analysis of maintenance costs and safety considerations, we're also proposing changes to our Road Register as part of this review:

- A change of classification which will alter inspection and maintenance schedules
- The removal of some roads from the Road Register as they have been deemed to be no longer reasonably required for public use. Once removed, Council will discontinue management and maintenance of these roads.
- The land occupied by roads proposed for removal from the register will remain as they are, and are not being proposed for sale to adjoining landholders at this time

By assessing service levels, Council can focus maintenance efforts on roads that matter most while ensuring others remain safe and functional for their intended purposes.

Visit yoursay.mildura.vic.gov.au/road-management-plan to find out more and have your say before Friday 28 February 2025.

Local Government Community Satisfaction Survey

From Monday 20 January through to mid-March, your household may receive a phone call from an independent market research agency, National Field Services.

They have been commissioned to conduct a community satisfaction survey on behalf of council. Similar surveys will be undertaken across other Victorian councils.

The survey is designed to assess the performance of the Mildura Rural City Council across a range of measures to identify potential improvements or more effective service delivery to residents.

The survey will involve 150 interviews conducted among a representative sample of residents.

We appreciate you taking the time to assist us with your valuable feedback.

Please Note – your personal details and individual responses are confidential. Only the overall results are shared with Mildura Rural City Council.

If you have any questions, please contact us on 03 5018 8100.
