Come visit us...

Mildura is, quite simply a place of contrast. From the Murray River to the outback, there is something for everyone.

For the foodies, there's world-class cuisine served with small town hospitality. There are local produce markets and award-winning wines.

For people looking for the slow lane, we have luxury houseboats to drift away on, there are golf courses and kayaks and internationally-recognised national parks to explore.

Like things a little faster? Speedboats, jet-skis, wake boarding, water skiing, motor sports – we have it all. Explore the Mildura region from the air, from the water, from the red earth from which the region gets its name.

Find a secluded spot beside the river, watch the sunset and then wait for the magical star show to begin. Get up the next morning and watch the sunrise Mallee style.

We have a thriving retail centre, with unique stores, cafes and restaurants, we have a stunning inland beach. We have a children's water park in a stunning river setting and we are the gateway to the outback. Base yourself in Mildura and explore Mungo, the Pink Lakes of the Murray Sunset National Park. Slow, fast, river, land. We have you covered.

Day Two

7am - Paddle Boarding or Kayaking at Dockside

An ideal way to start your day and enjoy our spectacular Murray River from a birdseye view, by taking to the water in a kayak or on a paddle board from Dockside Marina Cafe. A fun and adventurous way to explore one of Mildura's biggest tourist draw cards. Spend some time with friends laughing and enjoying the sunshine before getting into the serious part of the day.

7.45am - Breakfast at Dockside Marina Café

After your kayaking or paddle boarding experience, relax on the sunny deck at Dockside Marina Café and enjoy an a la carte breakfast overlooking the mighty Murray, enjoying the birds, the boats and the stunning views. You can "try before you buy" the vast range of our regions highly awarded wines.

The cellar door also offers a vast array local products, such as olive oils, dried fruit and a great range of winery gift ideas, along with great coffee.

6.30pm-9.30pm - Farewell Dinner at The Province by Matt De Angelo

menu, highlighting the finest of local produce available in the Mildura region. You will see that the Italian tradition of wining and dining is alive and well, as The Province tempts you with its homemade, fresh and local a la carte menu and extensive wine list.

Not ready to leave us?
